

koala
kangaroo
wombat
echidna
emu
Tasmanian devil

Instructions: print the pictures on the white printing paper and cut out along the lines. Mount both sets on brown card (colour coding for Australasia). Stick the names on the back of the set with animal pictures (the order of pictures and names in the above tables is the same). For control of error mark each pair with the same symbol at the back. Laminate the cards for durability.

Cards can be used jointly with a set of animal footprints rolling stamps available in many shops in Australia or online. [Here](#) you can find a random link to just one of the outlets selling those stamps.
