

<p>rosemary</p>	<p>thyme</p>	<p>sage</p>	<p>lavender</p>
			
<p>mint</p>	<p>basil</p>	<p>oregano</p>	<p>bay leaf</p>

Instructions:

Pairing

Print out, cut along double line, mount on green card and laminate. Use cards for matching with real herbs in pots or samples from the garden. You may put the names on the back of the card if you wish.

Terminology Cards

Print out two sets of pictures. Set 1 –mount on green card: picture and name together. Set 2 – mount on green card: pictures and names separate. Laminate the cards for durability.
