 A line drawing of a spider from a dorsal view. The cephalothorax, the fused head and thorax region, is shaded in a light gray color. The abdomen is unshaded.
<p>cephalothorax</p>
 A line drawing of a spider from a dorsal view. The abdomen, the large posterior body part, is shaded in a light gray color. The cephalothorax is unshaded.
<p>abdomen</p>
 A line drawing of a spider from a dorsal view. The two small, pincer-like structures at the front of the cephalothorax, the jaws, are shaded in a light gray color. The rest of the body is unshaded.
